AWARENESS & SAFETY

Partying with Care

Awareness & First Aid Team: trained professionals, staff, and on-call psychologists
If you or someone else isn't feeling well, ask for help immediately – don't isolate in a tent
Watch out for those around you – if someone seems unwell, notify staff

RISK REDUCTION

Stay hydrated – drink water, avoid too much sun
Don't overdo it – eat, rest, listen to your body
Dose wisely – start low, go slow
Need to refrigerate medication? Let us know at check-in

Awareness and staff areas will be shown on the festival map.
Updates will be posted on social media shortly before the event.
